DROP VS. WITHDRAW

Know the Difference

DROP

When you unenroll from a class BEFORE the refund period.

The last day to drop for a 100% refund is **January 19, 2024, at 4:30 PM!**

WITHDRAW

When you unenroll from a class AFTER the refund period.

The last day to withdraw from classes is April 12, 2024.

- You are still responsible for the class charges, but your transcript will show a W for withdrawal.

IF YOU NEED TO DROP OR WITHDRAW, DO NOT JUST STOP COMING TO CLASS!!

Students who do not withdraw will be assigned a grade of “F” in the class, and their GPA will be affected.

- Courses dropped during the first ten days of a Fall/Spring semester or the first five days of classes of a Summer term will not appear on the student’s academic record.
- Courses dropped after the 23 first ten days of classes will carry a grade of “W” and will appear on the student’s academic record.

*If a student wishes to drop or withdraw from a course, they must contact their advisor to start the drop process so that the Registrar, Student Financial Aid Office, Business Office, and Veteran’s Aid Assistant (if applicable) are notified.
