ANC Mission:

Arkansas Northeastern College is committed to providing accessible, quality educational programs, services, and lifelong learning opportunities.

Shemwell Named ANC's Next President

Arkansas Northeastern College named Dr. James "Jim" Shemwell as the new president for the institution in December. This announcement comes less than six months after the departure of previous president Dr. Robin Myers who left ANC to take over as Chancellor for Arkansas State University Mountain Home in August. Shemwell officially took office January 1, 2013.

Shemwell, who has been with Arkansas Northeastern College since 1994, began his career at the College as the Director of Training and Coordinator of the Osceola Center. With education and experience in banking and finance he moved up the ranks at the College to the Dean for Technical Programs & Training in 1999 then to Vice President for Finance in 2010, where he served until his promotion to president.

Dr. Jim Shemwell is a college success story. Having left Blytheville High School after his eleventh grade year to attend Arkansas Northeastern College (then Mississippi County Community College), he went on to earn a bachelor's degree from Arkansas State University and was named their "Top Graduate" by *Arkansas Business*. He later earned a master's degree in finance from Texas Tech University and a doctorate degree in organizational leadership from the University of Phoenix. From 1988 to 1994, he served as Vice President of Finance/Chief Financial Officer at SouthBank, headquartered in Corinth, Mississippi.

"Dr. Shemwell is a product of the very institution he now leads—what a wonderful testimony. He is a loyal citizen of Mississippi County and we are very happy to have his vision and leadership as we plan to move Arkansas Northeastern College forward," said Clif Chitwood, Chairman of the ANC Board of Trustees.

Dr. Shemwell added, "Arkansas Northeastern

ANC welcomes Dr. James Shemwell as President.

College has a rich history of successes and benchmark achievements, but our best years are ahead of us. With great humility and tremendous enthusiasm I look forward to working alongside our College's outstanding faculty and staff."

Shemwell and his wife Bridget reside in Osceola.

**Arkansas Northeastern College
INCLEMENT WEATHER POLICY
2012-2013**

When the Chief Academic Officer, or designated official, determines, based on available data, that the weather or other conditions have made roads impassable, the news media will be notified that the College is closed. Closings will be effective for all College operations, on and off campus, including the University Center.

In the event of inclement weather, please tune to one of the radio/TV stations listed for information concerning the College closing. Our local radio station (96.3FM) and KAIT TV Channel 8, Jonesboro, will be the two notified first because they are the fastest and easiest of our media to contact during inclement weather. For those of you who signed up for text messaging on the portal, you will receive a text message on the status of the closing.

In addition we will provide information on our website and update the automated telephone system as soon as a decision has been made.

Television/Radio Stations:

- | | |
|------------------------------|-------------|
| KAIT TV Channel 8 | Jonesboro |
| KLCN Radio (910 AM) | Blytheville |
| KHLS Radio Station (96.3 FM) | Blytheville |
| KOSE Radio Station (860 FM) | Osceola |

Notes of Thanks

Dear Friends

Thank you so much for the lovely flowers and all your expressions of sympathy during the loss of my beloved mother-in-law. It is such a comfort to feel your love and care.

Sue Puckett
