SkillsUSA Medals for Technical Center students

ANC Technical Center recently took 27 students to compete in the Arkansas SkillsUSA Championships in Hot Springs. The students competed against others from across the state in various technical and leadership competitions. The following students were awarded medals for their outstanding performance during the competition:

Andrew Simpson, a senior from Manila High School received a silver medal for coming in 2nd place in the Pipe Welding competition.

Timothy Hill, a junior from Manila High School received a silver medal for coming in 2nd place in the Welding competition.

Taylor Cannon, a senior at Blytheville Charter and ALE school, Kyle Ralph, a junior at Blytheville Charter and ALE school and Rodney Boone, a senior at Rivercrest High School all received a bronze medal for placing 3rd in the team Welding Fabrication competition.

Kenneth Edwards, a senior from Blytheville High School received a gold medal for his 1st place finish in the welding competition. Kenneth also placed 1st at last year's state competition.

Billy Ross received a gold medal for placing first in the post-secondary Automotive Service Technology competition. Billy will graduate in May with an Associates of Applied Science in Automotive Service Technology.

David Davis is the Welding Advisor for Andrew, Timothy, Taylor, Rodney, Kyle, and Kenneth. Allen Allison is the Automotive Advisor for Billy Ross.

Billy and Kenneth will go on to compete in the 49th annual National Leadership and Skills Conference held in Kansas City June 24-28th. More than 15,000 people—including students, teachers and business partners—are expected to participate in the week-long event.

SkillsUSA is the national organization serving high school and college students enrolled in training programs in technical, skilled, and service occupations, including health occupations. In addition to skills training, SkillsUSA prepares students for the workforce by offering leadership, teamwork, citizenship, and character development activities that emphasize high ethical standards, superior work skills, lifelong education, and pride in the dignity of work.

ANC ADN Student Nurse Club Gives Back

The purpose of the Associate Degree Student Nurse Club (ADN-SNC) is to provide peer support and promote professionalism in nursing through community involvement.

This semester, members participated in a variety of events that benefited both national and local organizations, as well as individual members of the community. Food drives for the Jonesboro Humane Society, blood drives for the American Red Cross, and events for St. Jude's Children's Research Hospital have kept student members busy. Green-thumb members at the Paragould campus organized a lawn clean-up for an elderly member of the community. Several students at the Blytheville campus have volunteered their time at the Great River Charitable Clinic. Later this month, members of the ADN-SNC will volunteer their time with set-up and chaperoning Jonesboro Human Development Center Prom.

TRIO AND NEAFCU SPONSOR "MAD CITY MONEY" SIMULATION

Tenth grade TRIO participants from Armorel, Blytheville, Gosnell, Manila, Rivercrest, Osceola, and East Poinsett County schools in Arkansas and South Pemiscot, North Pemiscot, and Hayti school districts in Missouri participated in the "Mad City Money" simulation held in the Briggs-Sebaugh Wellness Center on Friday, May 3, 2013. TRIO advisor Susan Dryer coordinated the workshop. Student participants were briefed on budget balancing, check writing, and other financial tasks and then sent out into the "Mad City" to live in a mock-world for the two-hour simulation. Participants were given different types of households and learned to build a monthly budget based on their incomes. The students could visit nine merchants in the "Mad City" to purchase housing, transportation, food, daycare, and other needs. Participants wrote checks for their purchases and strived to balance their checkbooks (provided by the NEAFCU of Blytheville) and their budgets.

You are cordially invited to attend the ADN Nursing Pinning Ceremony on Wednesday, May 15th at 5:30 pm in the ANC Briggs-Sebaugh Wellness Center.
