New Director for Career Pathways

Pauline Linam Parks has accepted the position of Career Pathways Director at Arkansas Northeastern College. For the past 20 years, Pauline has worked in career development. Since 2007, she has been on the Career Pathways team as the Career Support Services Facilitator. Pauline has a Bachelor of Science in Mass Communication from Arkansas State University and is also recognized as a Global Career Development Facilitator and Trainer.

Pauline looks forward to her new challenge and hopes to continue the work begun by the late Barbara Baker. "As a career development professional I have a passion to encourage and guide students to use education to fulfill their dream," Pauline said. "Everyone has to start somewhere, and I want to be there during the first steps of a student at Arkansas Northeastern College.
