

2010-2011 Requirements for the Associate of Science in Business Degree*
Suggested Program for Students planning to transfer to earn a Bachelor's degree

Legend

- U = Class is open to any student even if placed in CP
 R= Reading level prerequisite required to take this course (or the appropriate placement test score)
 E= English prerequisite required to take this course (or the appropriate placement test score)
 M = Math prerequisite required to take this course (or the appropriate placement test score)
 P = This course has a prerequisite

College Prep Courses

Some of all of the following College Prep courses may be required depending on placement test scores. The grades received in these courses (A[^], B[^], C[^], or D[^]) are not used in calculating the GPA. If an F is received it is used in calculating the GPA. No CP courses count toward a degree.

- U CP 01003 College Reading Skills
 R CP 01113 Adv Reading Techniques
 U CP 02003 College Writing Skills
 U CP 04003 Basic Mathematics Skills
 M CP 04783 Beginning Algebra

***This worksheet is a guide for the Associate of Science in Business Degree Plan (2010-2011 catalog.) The Degree Plan in the appropriate catalog should be consulted when considering your course selection.**
