Time: 11:00 a.m. – Noon

Recorder: Dr. Gary Yarbrough

In Attendance:

Dr. Gary Yarbrough, Dr. Jamie Frakes, Ron Hutto, Melissa Watkins

Establishment of Quorum/Welcome & Announcements

Dr. Yarbrough called the meeting to order. A quorum could not be established.

Announcements / 2022-2023 Meeting Schedule

Dr. Yarbrough announced the return of the AAACL conference for this spring. The meeting originally scheduled for November 10th was canceled.

Assessment Software

The committee discussed the use of Google Sheets as an alternative to Nuventive Improve for curriculum mapping, assessment planning/reporting and as a repository. Ron Hutto suggested the creation of a shared folder on the network with limited access for ANC's assessment repository. Dr. Frakes noted that the Allied Technologies faculty would likely be comfortable using Google Sheets for assessment.

Division Updates

Dr. Frakes provided updates from the division of Allied Technologies and noted that division faculty are making good progress on their assessment activities for this academic year.
