A majority of voting members were not present for the CASL meeting, so an informal meeting was held to discuss the third drafts of the four institutional learning outcome (ILO) rubrics for which approval is pending: Communication Fluency, Critical Thinking, Information Literacy, and Quantitative Reasoning. These rubrics were discussed and suggestions were made for making minor changes to the rubrics. Robin Singleton agreed to make the changes and then to send the rubrics out to the whole committee for an electronic vote.

Holding a faculty meeting to explain how to apply rubrics was also discussed. The members also discussed a process for training faculty members to use the ILO rubrics in particular. Planning continues.

The meeting ended at approximately 4:45 p.m.
